

## Values and Courtesy

Australian Values Life in Australia states Australians and People in Australia uphold Equality of men and women and Equality of opportunity and a spirit of egalitarianism, which means some jobs men can do and some jobs women can do but most jobs men and women can do for same pay. The Psychology is parents are the primary caregivers with the father being the breadwinner and the mother being the caregiver. Men use the logic logos, scientific and logical hemisphere of the brain while women use the linguistical, peripheral and sensory hemisphere of the brain. Logic is from the Greek Word Logos for Word. God is One. Jesus is the Word of God. Jesus is One with the Father. Humanism is enmity of Faith. Logic is more than trying to print light. Logic is the Spiritual Word of God as Faith a gift of God. Gospel, John, Colossians and Hebrews. Psychiatrists peer and perve into a very small part of the Brain behind the Temple which processes Sight and Sound to prescribe Pharmakia well-reducing life functionality and expectancy when Psychological and Cultural Worlds of Cerebral Cortex Central Nervous Systems are Injured! Female hysteria was a diagnosed illness probably by men for male doctors to prescribe Pharmakia medication to women which causes complications to their ovaries and reproductive system, stealing ability to have a family, all for women being women so let women be women! John 10:10. The Pharmaceutical Industry of Materialist Reductionist undereducated misconstruing and misconceiving Mammon Money Doctors need to make improbable and impassable Amends of their bigoted Abracadabra Acrostic Antagonist Attitude Barbarism Bastard Title Cloutie Crocodile Tears race.
