

## Inaction

NSW Justice Victims Services need to Vindicate their Victims by meeting all four their needs (psychological, emotional, financial, relocation) instead of dishing out he/she/it/they Existentialism of Bastard Title Cryptology Barbarism, down on their haunches and down on all fours. NSW Justice Victims Services need to Vindicate their Victims by meeting all four their needs (psychological, emotional, financial, relocation) instead of dishing out undereducated and biased Bastard Title Cryptology Barbarism, getting down on their haunches and down on all fours. Western Judgemental Braggadocio PR Mania Culture allows Social Anxiety Psychological Trauma Injury to exist as pay off and fob off Systems and Services as Society persists with Government rip off Cryptologic Cast Off Catch Antagonist Accent Defamation Fraud Identity Theft Crimes. Cold Tea is a saying for where and when you are drinking a cup of hot tea, waiting for the Police to respond but the Police do not respond, so while you are waiting oh so long for the Police to respond, your tea goes cold thus suffice to say the Police response is not sufficient. Cold Tea is a saying for where and when you are drinking a cup of hot tea, waiting for the Police to respond but the Police do not respond, so while you are waiting oh so long for the Police to respond, your tea goes cold thus suffice to say NSW Police response is not sufficient. NSW Justice's System and State Culture of Cryptology and Barbarism Established Cast Off Catch Accent of Antagonist Communities' Justice Precinct from Evasive Existentialism but should Erect and Exert less Legal Precedentary Loopholes of Law by Accentuation and Accidence Attitude. World Justice System and State Culture of Cryptology and Barbarism Established Cast Off Catch Accent of Antagonist Communities' Justice Precinct from Evasive Existentialism but should Erect and Exert less Legal Precedentary Loopholes of Law by Accentuation and Accidence Attitude. Crocodiles weep and shed tears where and when they lure their prey before they devour their prey. Crocodile Tears is where and when an Instigator of Crime Allegation lures a Victim to Falsely Accuse the Victim as a Perpetrator of Crime and the Instigator is Charged for Falsehood!
