## The Court Club

NSW Justice Victims Services killed two birds with one stone saying to kill two birds with one stone is a mature adage unlike To Kill a Mockingbird where evidence of two crimes were put into one victim of crime recognition payment like a bird in the hand is worth two in the bush. NSW Justice Victims Services have the power to enable victims but instead their system is a slight abomination of desolation of counselling cryptology rhetoric which impairs psychological healing of victims through reoffering up a mammon only money justice. Hebrews 11:26 and 6:6. NSW Justice Victims Services cheat victims from justice they deserve by failing to report accurately from their own fear of failure and when they do report their views and values are disparate.
