Last Decade I Told NSW Justice I Wished to Donate at Least 1K of my 10K Victim of Child Sexual Abuse Crime Compensation Payment NSW Justice Afforded me to Police Association Federation Legacy however Police have Lost my Trust and I Will Not Provide even a Voice to their Memorial. Last Decade I Told NSW Justice I Wished to Donate at Least 1K of my 10K Victim of Child Sexual Abuse Crime Compensation Payment NSW Justice Afforded me to Police Association Federation Legacy however Police have Lost my Trust and I Will Not Provide even Voice for their Memorials. I don't blame NSW Police officers, although sometimes they are hired fools; they take orders from NSW Justice who are sometimes bitches, as a third definition urban, because both police and clinicians don't understand the innocence or faith of victims they trample and/or condemn!
