When there should be less police and more adult leaders and creators you need reform culture yet instead fight for band aid solutions of woman falsehood PR hysteria and pharmakeia of medications inducing widespread autism and complete jealous and rival disablement of livelihoods!

Everything Australian Labor is promoting is as women more important than men and women more important than children which woman bias does not improve Labor's often short term leading office failures of many Labor mistakes that often long term office leaders Liberal Australia fix!

Before prednisone was developed mid 1900s there was no cure for rheumatism so people who had rheumatism died yet rheumatism inflates prostate reading so men who have rheumatism are often misdiagnosed with prostate cancer, go under the knife and post operation die from rheumatism!
